~ Bowls England has now issued guidelines for 'Returning to Bowls' for the new season in line with the Government's route map out of lockdown which the Committee is now reviewing so that we are ready to open the green as planned on Saturday 24 April

There are also meetings this week for both Aldershot and District and Bowls Hampshire and once we receive their feedback we will then email all members by Friday 2 April with our plans for 2021. Although there may be a few issues for the first few weeks of the season we are very hopeful that we will be able to bowl as planned

~ During the past few days Bowls England have been in consultation with all County Associations regarding the playing of bowls during the coming season. Various timescales and options have been discussed and they have indicated that they will be updating counties by 22 March at the latest as to the guidelines and their schedule for 2021

On receipt of this information, we will be able to review our own playing arrangements and it is hoped that we will be able to complete all our matches and competitions in 2021. We are, like everyone, dependent on Government and Bowls England guidelines, particularly in the opening few weeks

There will undoubtedly be a need for help preparing both inside the clubhouse and outside and we hope members will be able to help with the necessary work
