~ Today our Women's County Thornbery Trophy side travelled to Banister Park to defend their title from last season. In the morning we faced Moordown and won on both rinks and by an overall score of 46 shots to 27. In the final this afternoon the opponents were Mayfield Park and we built up a good lead of 10 shots with a dozen ends to play. Our lead was chipped away but with one end left to play we had a five shot lead and looking good for the repeat win. Although holding three it was not enough so with her last wood the Mayfield Skip fired and got a result and the five shots they needed to take the tie to an extra end. With both rinks playing an extra end it all came down to the last few bowls but we picked up four shots across the two rinks to win by a final score of 45 shots to 41. Well done to all who played throughout the season

14 August 2023

~ After a slow start in the second round of the Women's Triples at Leamington this morning, Donna Taylor, Sue Dyson and Allyson Flint found themselves 0 - 8 down after 4 ends and things didn't improve very much over the next few ends. After 10 ends they were still eight adrift before they got the mat, shortened the jack length, and then won six consecutive ends to take a three shot lead into the last end. Unfortunately they dropped the three shot lead and the match went to an extra end. Allyson played a brilliant second wood to get the shot and it stayed to win the tie by 20 shots to 19
